

Residencial Galia in Cap Cana, Dominican Republic

Ref:
783902

Bedrooms: 2

Bathrooms: 2

Build: 113m²

Plot: 150m²

This luxury project is designed for those seeking for more than just a home. It's a residential development that prioritizes harmony between architecture, surroundings, and lifestyle, within one of Cap Cana's most exclusive enclaves. This development was conceived with the idea of offering a space where comfort, privacy, and contemporary design blend seamlessly. This is not just a place to live, but an environment designed to
